## A. Avery® Easy Peel® Mailing & Shipping Labels

'Tis the season for holiday greetings. You can quickly create professional-looking labels with Avery's patented Easy Peel® label sheets. Just bend the sheet to expose the Pop-up Edge® for fast peeling to make short work of those seasonal communications. If you don't use up the sheet, it goes back to flat so you can make more labels later. They're also great for those year-end organizing projects.
